### Valentine's Day Ideas for Wine Lovers

When I think of Valentine's Day, I think of hearts, flowers, chocolates, and, of course, red wine.

If wine is on your mind this Valentine's Day, you might want to consider a trip to a vineyard, where you can do a tasting first-hand and stay in a cozy, romantic inn. (For a kickstart, refresh your wine knowledge with a viewing of the romantic comedy, "Sideways" where Miles and Jack go on a last-gasp guys' wine country trip before Jack's wedding).
